

technaLINK

Technalink: Your Agency's Source for Advanced Solutions

As an IT services and management consulting provider, Technalink helps government agencies succeed by ensuring that their **IT Resources**, **Financial Management** capabilities, and **Process Improvement** initiatives are properly aligned with their core mission. Simultaneously, we will help to design and implement IT, Financial Management and Process Improvement solutions that not only meet the needs of today's users and constituents, but that also comply with all relevant regulations.

IT Services & Solutions

At Technalink, we understand the mission-centric dynamics and constraints facing government agencies, and can serve as a trusted provider of a range of specific IT solutions, including:

- Software Engineering & Application Development
- Information Assurance & Cyber Security
- IT Audit & Controls
- Certification & Accreditation (Federal Civilian & Defense)
- Network & Systems Operations Support
- Help Desk & End-User Support
- Data Management & Warehousing
- Enterprise Architecture
- Cloud Computing & SOA
- Customer Relationship Management (Oracle and SAP)
- Enterprise Resource Planning (ERP)
- Content & Records Management
- Staff Augmentation

Management Consulting Solutions

Because we bring a broad variety of disciplines and skill-sets to each engagement, we can help government agencies improve their capabilities in a range of strategic areas throughout their organizations, including:

- Project & Program Management
- Business Process Improvement
- Financial Management
- Human Capital Management
- Change Management & Business Process Reengineering
- Compliance and Risk Management
- Knowledge Management
- Supply Chain Management
- Business Intelligence & Analysis

Let's Begin the Dialogue

Technalink is prepared to discuss your agency's needs and develop a customized plan to address them. Whether your needs are related to a specific aspect of information technology or management consulting, we are positioned to deliver high quality services, on time and within budget. To begin the discussion, please contact us at 703-883-1808.
